FREE FROM YOUR SPELL

Last night there was a feeling
Your performance so revealing
You were playing games with me!
Just waiting for a sign
Are you so blind?
That you couldn't even see
Feels like I'm wasting my time
It should be a crime
Don't know who you really are!
Delayed decisions
And future visions
Things have gone too far!

I've had enough!
Get out of my life
So I can find a true love

Free from your spell
Got to find a way
To break the chains
I wanna be free from your spell
Got to find myself
Gonna make a change

I'm tired of being used
And being abused
You don't love me anymore!
It feels so cold
Why are you so bold?
I've seen it all before!
The writings on the wall
And it's telling it all
Now the time has come
You're on the way out
And there's no doubt
It's all said and done!

I've had enough!
Get out of my life
So I can find a true love

Free from your spell
Got to find a way
To break the chains
I wanna be free from your spell
Got to find myself
Gonna make a change
