

'One of the first songs that we wrote together about dream love and theories of reality.
Hendrik Thiesbrummel-Drums, all other instruments and vocals by WZ'

THEORY OF LOVE

All that we see, all that we seem
It's just a dream
It's all but a dream
Inside a dream

Livin' to the THEORY OF LOVE!

It is to be found
in the universe
Beyond the king
The cure for the curse

Livin' to the THEORY OF LOVE!

In distant believes
in the victory- YEA!
Beyond the styles
Of HERA's story

Livin' to the THEORY OF LOVE!
Livin' to the THEORY OF LOVE!
Livin' to the THEORY OF LOVE!
Livin' to the THEORY OF LOVE!
The THEORY OF LOVE!
